Circular to Parents 121/09/10
Parents of P4, P5 and P6 Prefects

24 February 2010

Training Session for P4 Prefects run by the P5 & P6 Prefects

At SIS, we strongly believe in nurturing the whole child. In order to provide our P4 student leaders with a wide variety of activities, including experiences that will provide them with opportunities to lead and guide, P4 prefects are required to attend an after-school training session from 3.30pm to 6.00pm. This experience is part of our overall development plan for the prefects. The P4 prefects will be able to cultivate and exercise their leadership and decision-making skills while the P5 and P6 prefects will gain invaluable experience as facilitators. All of these skills are essential, and if developed when young, they will, we believe, help make the difference later in life.

The details of the training session are as follows:

Date: Friday 5th March 2010
Time: 3.30pm – 6.00pm
Venue: Singapore International School (Hong Kong)

The participants will be given time to eat snacks which they must bring along themselves. There will be no school buses after the training session so transport will have to be organized independently.

Please complete the attached **reply slip** and ask your child to drop it in to Mr. Grey at the L2 staff room by **Tuesday 2nd March.**

If you need further clarification, please drop me an email at greymatthew@singapore.edu.hk.
