## **PARENT-TEACHER DIALOGUE**

The parent-teacher dialogue sessions are a valuable channel of communication between the school and parents, and as such are planned for in the school calendar.

You will notice from the school calendar that parent-teacher dialogue sessions have been scheduled on 3, 4 and 5 March for parents of S1, S2 and S3 students respectively. Please be informed that these sessions have been cancelled. In their place will be small-group gatherings which aim to be relaxed and informal. I hope that this will facilitate communication, and better enable the exchange of ideas. If these meet with a good response we will meet once every few months.

The first group of parents we will meet are the S1 parents, and the meetings will take place in March. I will be writing to this group of parents soon. S2 and S3 parents will be seen in April or May; I will confirm this later. The meetings will be from 8 – 9 am, and teachers teaching these classes will be present. In keeping with the relaxed mood I am suggesting a potluck breakfast. So it would be nice if you could bring a food item on that day.

**S2 and S3 parents:** Please note that the S2 and S3 WoW! trip briefings for students will take place as planned, on 4 March at 4 pm and 5 March at 4.45 pm respectively. If you child is taking part in the WoW! trip you are welcome to attend the relevant briefing.

**S2 parents:** There will be a briefing on the subjects that will be offered to next year's S3 students on 17 March at 5.30 pm. This is a good opportunity for you to find out more about the S3 curriculum, and the subject combinations being offered. Do attend it if you are able to do so.

Of course the usual channels for communication remain open. Email me at [yeowcaroline@singapore.edu.hk](mailto:yeowcaroline@singapore.edu.hk) or call me at 2919 6901 if you would like to give me feedback about the school.
