Dear Parents,

**Re: PTA Swimming Programme – Term 2**

Due to malfunctioning of water heaters, PTA's afterschool swimming programme has been suspended with effect from 10 Jan 2008 until further notice.

As we are unable to confirm the swimming schedule for Term 2, cheques received will be returned to those who have enrolled for the programme.

New schedule will be planned as soon as we have a better idea when the pool will reopen. Please sign up again when we roll out the new programme.

We are sorry for any inconvenience caused. Thanks again for your support to our swimming programme.
