Intro

Verse 1 第一段

Thanks for the times
That we had to share
Laughing and smiling together

As time will pass
Wherever we go
We'll always remember
S.I.S

Verse 2 第二段

同窗多年
情感从未变
今天却要说声再见
或许归来
又或许离开
校园的爱永远在我胸怀

Bridge 1

From time to time
We may drift apart
The path ahead is not clear

With parents who love
And with teachers who care
We doubt that there's much we will fear

Chorus 1

Friends, we are friends
We are friends till the end
No matter how far it be
Today we may part
But you're in my heart
From now till next time we meet

Friends, we transcend
And our path it depends
If we can strive for success
Now it's good bye
But you're here by my side
Together let's be our best!

Interlude

Bridge 2

就算来自世界不同地方
你我携手同成长
师长的关怀指引我方向
前路崎岖我不会彷徨

Chorus2

就在今天我们骊歌高唱
愿彼此一路坚强
坚持心中所有理想
精益求精永不忘

(重复)

Chorus3

Friends, we are friends
We are friends till the end
No matter how far it be
坚持心中所有理想
精益求精永不忘
Success inspires success
Together let's be our best!
