PARENT TEACHER ASSOCIATION

Dear Parents

Thank You Letter to all SISHK Parents

We would like to take this opportunity to thank our parents for attending, sponsoring and volunteering at the Thank You Teachers' Dinner on 30 August 2019 at The Island Shangri-La Hong Kong Hotel. Without your assistance and support, we would not be able to reciprocate our heartfelt appreciation to the teachers and support staff of SISHK who worked hard to educate and nurture our children. I have attached the sponsors information for your reference, please.

This academic year, the SIS-PTA will continue to support and assist in the school's programmes and events such as

- facilitating the conduct of the Culinary CCA at Secondary section, and
- organising cultural activities, namely the International Food Tasting Day and Mooncake Festival.

In addition, we will run the Christmas Fair in December 2019 and Thank you Teachers' Dinner in June 2020. We will plan and organise parent workshops to meet the needs of our parents so that they can better support their child/children at home.

My committee and I would like to thank you for your generosity and assistance. This academic year, I hope that we can continue to receive your tremendous support. We also want to welcome new parents to volunteer and work with us to render assistance to the school. If you feel that you would like to contribute to our SIS-PTA, please email me at pta@singapore.edu.hk.

Thank you.
