SISHK School Bag, Name Tag and Water Bottle

All PY students will receive a SISHK PY school bag and a name tag at the end of the event. The school bag has a side pocket designed for a water bottle. If you are planning to buy a new water bottle for your child, we recommend waiting until you get the bag to ensure it fits.

Preparing your child for Orientation Day

Orientation Day helps new students meet their teachers and classmates, ease first-day nerves and begin to settle into school life. Some children may find it challenging to be away from their parents, especially when they know you are nearby. We encourage you to speak with your child beforehand. You may wish to:

- Explain that you are proud they are now a SISHK student, and that you will go to school together on Orientation Day to meet teachers and friends. Let them know there will be a time when they stay in the classroom for fun activities and playtime without you, while you attend a parents-only briefing with the Principal.
- Describe how long you will be away using familiar examples, such as “about the length of your favourite movie” or “two episodes of your favourite TV show.”
- Agree on a simple and special way to say goodbye when you go to the auditorium (for example, a hug and a kiss followed by “I love you!”) and reassure your child that you will return to pick them up immediately after the briefing.
- Plan something to look forward to after Orientation Day, such as lunch at a favourite restaurant or a playdate with a close friend.

Confirmation of Attendance

We ask for your understanding that due to limited seating capacity in the auditorium, we can only accommodate a **maximum of 2 representatives** from each family for Orientation Day. Please register for the event through this [web link](#) by **Friday, 31 July 2026**.

Parking

Due to space constraints, parking will not be available within the school's premises. Parents are strongly encouraged to use public transport or park their vehicles at public car parks in the vicinity. Your kind cooperation in this matter is greatly appreciated.
