Annex A

AY26/27 CCA	Description	Fees	Commitment	Day
Visual Arts Club	Do you know that the Visual Arts encompasses many art forms, including the fine arts as well as design and animation? If you are interested in deepening and extending your art education in the formal art curriculum, Visual Arts Club is the place to be as you will be working with professional artists and practitioners to widen and deepen your understanding of Visual Arts. Apart from having fun with Art, the artworks created in the Visual Arts Club will be showcased at various platforms in school.	\$4000	Sep 2026 - May 2027	Wed 3:00 – 4:30
Photography Club	Did you know that photography is as much a science as it is an art? In the Photography CCA, you will learn how to take photos using the DSLR camera while experimenting with various lenses and their functionality. You will apply the photography composition rules which include finding the perfect light, selecting suitable angles of photo taking and focusing on colour and texture so as to present them in the best possible format. You will then take on the role of a school photographer to refine your photography skills which include the use of the Phantom 3 drone! If you are secretly aspiring to be the next top scientist, fashion or sports photographer, get a head start by joining the SISHK Photography Club!	\$3000	Sep 2026 - May 2027	Thu 3:00 – 4:30
