Welcome to SISHK!

Thank you for choosing Singapore International School (Hong Kong) [SISHK] for your child's education. We look forward to welcoming your child and your family to our SISHK community. We hope this simple guide will help you prepare for your child's first day at SISHK.

Everything that we do here at SISHK is guided by our school's vision, mission and values. They provide a compass and direction to define who we are and how we operate.

Mission

To provide a conducive environment for a future-oriented, holistic education, anchored in a rigorous bilingual academic experience, for children of all nationalities. We nurture students to be independent life-long learners imbued with sound moral values who are respectful and responsible, and who rise to the challenges of life creatively and enthusiastically in an ever-changing world.

Vision

A vibrant community striving for excellence

活力校园，自强不息

School Motto

Success Inspires Success

精益求精

The School Motto serves as a constant reminder to the school community of students and teachers that small successes will motivate the individual to strive for greater achievements.

School Philosophy

We respect the dignity and worth of our students under our care. We believe that our students can be nurtured to achieve their full potential within a school environment that is both caring and challenging. We expect our students to be respectful, responsible and to rise to the challenges of life.

School Values

Respect
礼

Responsibility
义

Resilience
毅

Integrity

25 Jun – 8 Jul 27 (Fri – Thu)	Summer Programme
16 Aug 27 (Mon)	Orientation for new PYP Parents & Students, new Secondary Students, and Sec 1 & DP1 Students
17 Aug 27 (Tue)	First Day of School for AY2728 for all Students

Communications with the School

At SISHK, the School will contact parents mainly through email and telephone.

In addition, for all Preparatory Year levels, the School uses a Communication Folder to correspond with parents. Circulars, letters, notices, consent forms, and other communiques can be exchanged between parents and the teachers through the Communication Folder.

Primary Years students have the Student Planner and a system of coloured folders which the School uses to communicate with parents for day-to-day matters such as homework, messages and school circulars.

At the Secondary DP section, the School and teachers will use email to convey school circulars and messages to parents on day-to-day matters. Students may also communicate with their teachers via email. With regards to homework and assignments, Secondary Years students are nurtured to be self-directed independent learners, and are expected to learn how to manage their time for participation in school and co-curricular activities, revision of school work, the punctual submission of their homework and assignments in addition to balancing all this with their own personal life.

For information about the School, please visit the School's [website](#). If you have a Facebook account, you can keep abreast of the the latest school activities and events by liking the School's [Facebook](#) page or following [Instagram](#). To find out more about the School from the student's perspective, visit [Impressions](#), the school blog which features articles by students and staff.

If you should have any enquiries for the School, you can always contact the School at the following:

Preparatory Years and Primary Section General Office

Email: general@singapore.edu.hk

Tel: +852 2872 0266

Secondary and Diploma Programme Section General Office

Email: secondary@singapore.edu.hk

Tel: +852 2919 6966

SISConnect

[SISConnect](#) is the parents' portal for school administrative matters. After your child has started with SISHK, you will be assigned an SISConnect account where you can

- update contact information
- retrieve and respond to school circulars which require a response via e-Reply
- access information which is not available on the School's website
- register and pay for events and activities
- download report cards
- download receipts.

Our Parents, Our Supportive Partners

Our parents are an important part of our SISHK community. We work together with our parents to collectively nurture our students to become learners, leaders and global citizens of tomorrow; who are anchored in sound moral values and rise to the challenges of life creatively and enthusiastically in an ever-changing world.

SINGAPORE INTERNATIONAL SCHOOL - PARENTS TEACHERS ASSOCIATION (SIS-PTA)

SIS-PTA is a key partner in the SISHK community. The Association comprises a team of dedicated and committed parent volunteers who work in partnership with the School to further enhance the learning experiences of our students and to enrich the student experience.

The core activities of SIS-PTA fall into three areas

1. **Support** parents and their children by
 - a. helping to monitor and support P1 students in swimming lessons to meet the young children's needs
 - b. promoting reading habits amongst P1 and P2 students by reading storybooks to the students
 - c. organising parenting talks and workshops
 - d. sorting 'Lost and Found' items for the students
2. **Communicate**: sharing information on our work with parents and providing the link between our parents and the School
3. **Volunteer**: Enlisting parent volunteers to assist to the School in activities such as
 - a. supervising lunchtimes and giving support to students undergoing vaccination
 - b. promoting cultural awareness through parents by conducting activities for Chinese Cultural Studies and providing food for events such as International Day
 - c. raising funds for SIS-PTA Christmas Fair, IBDP CAS Programme and 'Thank You Teachers' Dinner'
 - d. conducting enrichment activities and CCAs for Primary Years students
 - e. seeking parents support to host students in Internships and Career-related Work Experiences and share experiences via Career Talks.

To find out more about SIS-PTA and to join as a member, please visit www.singapore.edu.hk/pta
You can also contact SIS-PTA by emailing them at pta@singapore.edu.hk

Preparing for First Day of School

Books and Stationery

Singapore Asia Publishers (HK) Ltd operates the school bookshop at the PYP section on an appointment basis. In addition to the required textbooks for lessons, the bookshop also sells a wide variety of exercise workbooks, stationery and fiction and non-fiction books for all levels.

The booklist has been released to parents. There is no booklist for PY students and all new PY students will receive an SISHK school bag on the Orientation Day.

Catering Service

Sodexo is appointed to provide nutritious meals for students during school days. Further details will be available in late July.

Transport Arrangements

In our efforts to reduce carbon emission and minimise pollution, we strongly encourage our parents to use the school bus service instead of relying on private transport. Alternatively, our older students are encouraged to take public transport. The School is well supported by public transport with the Wong Chuk Hang MTR Station being less than 10-minute walk away. There is a range of public bus and mini bus routes serving the School to the different areas of Hong Kong.

Kwoon Chung Motors is appointed as our School's bus service operator. Kwoon Chung has been our reliable partner and provides school bus services from different areas in the Kowloon peninsula and all over Hong Kong Island. The bus routes may differ from year to year, depending on the requirements of our students. Every year, parents will be notified in end-June of the tentative bus fee and schedule, and when to register for the school bus services.

Starting from AY2020/21, new students joining the School will be required to either use the school bus service or public transport when travelling to or from School. For PY1 students joining the School, the [Use of School Bus and Public Transport Policy](#) will only come into effect when they progress to PY2 in the following Academic Year. This is intended to allow our youngest children to have a smoother transition to their new school and its surroundings.

Parents visiting the School, please note that there is no parking in the School. Parking is available at the public car parks nearby. However, we would wish to encourage you to use public transport instead as it is more convenient than finding a nearby public car park lot. Please support our efforts in reducing our carbon footprint.

School Uniform

We are pleased to announce that [Hyper Engine](#) has been appointed as our official school uniform supplier from Academic Year 26/27 onwards. The selection of the new school uniform has been made in collaboration with the school's Senior Leadership Team and Parent-Teacher Association (PTA), ensuring both quality and practicality for our students.

With effect from 1 August 2026, school uniforms will be available for purchase at Hyper Engine's retail store in Lai Chi Kok or through their [online ordering platform](#). (Please note that currently the ordering platform is not available for SISHK parents / students to order.)

To support families in purchasing the new uniform, Hyper Engine will host a pop-up store on campus on 14 August 2026. A full range of product samples will be available for fitting, and their on-site team will provide personalised sizing advice, fitting services and guidance on the pre-ordering and online ordering process.

Proper shoes (black or white) should be worn at all times; the shoes should not be colourful, bright in colour or distracting.

PY:

- [Price List for PY Winter Uniform](#)

Primary:

- [Price List for Primary Summer Uniform](#)
- [Price List for Primary Winter Uniform](#)

Secondary:

- [Price List for Summer Uniform](#)
- [Price List for Winter Uniform](#)

Diploma Programme students do not need to wear a uniform for school.

Lockers

Primary Years students are provided with a locker for their convenience. Our students are advised to secure their lockers with their personal padlocks where available.

All Secondary Years and IBDP students are assigned a locker to store their belongings. Please prepare a sturdy lock with two sets of keys. Form Teachers will collect one set of keys for safekeeping; please ensure that this set of keys is clearly labelled with your child's name. Please note that combination locks are not allowed as they can be easily tampered with.

Technology in the Classroom

At SISHK, the use of technology is integrated into our students' learning experience as they develop competencies such as Communication, Collaboration and Information Skills, to equip them for the future. In addition to developing digital literacy, we also nurture our students to be discerning and responsible digital citizens. As our students progress up the grade levels, there is a more pervasive use of Information and Communication Technology (ICT) in the classroom as students become more engaged and empowered through mobile learning.

For P1 to P2, we provide iPads and computers for use in the classrooms. Students from P3 to P6 will participate in the School's 1-to-1 Chromebook programme and purchase Chromebooks for use in the classroom.

For Secondary Years and IB Diploma Programme students, the School operates a 1-to-1 MacBook programme. Senco-Masslink Technology Limited is currently appointed to facilitate the purchase and delivery of the devices to school. Purchase of new Chromebooks for the Primary Years and MacBooks for the Secondary Years and IB Diploma Programme, is organised in June each year.

Only Chromebooks purchased through SISHK will receive technical assistance and support from the School's ICT Department in the Primary Years. Technical support for the Secondary Years and IB Diploma Programme is rendered by a Senco-appointed office to assist students who experience technical issues with their MacBooks.

School Hours

Level	School hours	Break/Recess	Lunch
PY1	12pm – 3pm	20 minutes between 1pm – 2pm	NA
PY2	8.20am – 12.20pm	20 minutes between 9.30am – 10.50am	NA
P1 - P6	8.20am – 3.00pm	30 minutes for P1 to P6 between 9.30am – 11am	30 minutes between 11am – 1.30pm
S1 - S4	8am – 3pm / 4.30pm*	9.40am – 10.00am	12.40pm – 1.40pm
IBDP	8am – 3pm / 4.30pm*	9.40am – 10.00am	12.40pm – 1.40pm

*Lower secondary students finish at 3pm, Upper Secondary and Diploma students may finish at 4.30pm on some days depending on their subject choices.

Arrival Times

Level	Arrival time in school
PY1	before 12pm
PY2	before 8.20am
P1 - P6	before 8.20am
S1 - S4 and IBDP	before 8am. Students taking the school bus may arrive after this time and are expected to report promptly to their class upon arrival.

Inclement Weather Guidelines

Tropical Cyclones Warnings

Signal	Action	Remarks
T1	Classes as usual for all levels	
T3	For Preparatory Years All classes cancelled For Primary and SecDP Sections Classes as usual unless advised otherwise by Education Bureau	For Preparatory Years If the signal is replaced by signal No. 1 before 10.30am, classes for PY1 will be conducted as usual. However, PY2 classes will remain cancelled.
Pre-T8, T8 and above	All classes cancelled	For all classes, before school starts If the T8 signal is lowered after 5.30am, the School will remain closed. For all classes, during school hours If the T8 signal is hoisted during school time, parents will be required to collect their child from school. No school bus will be operated.

Rainstorm Warnings

Signal	Action	Remarks
 Amber 黃	Classes as usual	All sections will operate as usual unless the Education Bureau makes a special announcement on closure of schools.
 Red 紅	Warning is in force between 6am and 8am All classes cancelled	Classes will remain cancelled even if the signal is lowered. Students arriving at school will have learning activities before it is safe for them to return home.
 Black 黑	Warning is in force between 8am and 3pm Classes as usual unless advised otherwise by Education Bureau	Please refer to Point 4 under Inclement Weather regarding the dismissal procedures.

Inclement Weather

1. During typhoons or rainstorms, please check the school website, www.singapore.edu.hk, for the latest announcements. Please ensure pop-ups are enabled on your web device to view the announcements. Please pay attention to radio or television announcement made by the Education Bureau during typhoons/rainstorms or visit the webpage of the Hong Kong Observatory at the following URL for "Weather Information for Schools": www.weather.gov.hk/en/school/school.htm
2. If Education Bureau announces the closure of schools after the start of school day, the School will activate the contingency plan to ensure that the school premises will be open and the School's Inclement Weather Emergency Team will look after the pupils who are already in school or on their way to school. Safe and proper arrangement will be made for these pupils to return home at an appropriate time.
3. Parents are advised to exercise their discretion in deciding whether or not to send their children to school at the time of inclement weather. Parents should keep their children at home if they consider that local weather, road, slope, traffic or transport conditions at that time are still not completely normal. In such circumstances, allowance will be given to the affected students for lateness or absence from school at their discretion on the day when inclement weather or flooding occurs.
4. When a Red or Black Rainstorm Warning Signal is hoisted, normal dismissal procedures will be suspended and a special dismissal arrangement will be implemented as follows:
 - **School bus dismissal:** If the signal is issued before departure, all school buses will remain at school and will only depart once the signal has been lowered to Amber and it is deemed safe to do so. If the signal is issued while buses are already en route, they will continue their journey and transport students home.
 - **Self-dismissal:** Students will only be released if they are fetched directly by their parents. Otherwise, they will remain on campus until the signal is cancelled or lowered. Parents are strongly advised not to rush to school under dangerous conditions.
 - **Parent pick-up:** Parents who choose to fetch their children from school should do so only when weather, road, and traffic conditions are clearly safe, and are advised not to travel to school while conditions remain hazardous.
