Principal's Message

COVID-19 pandemic has created a new normal for all of us. Everyone is trying to anticipate, adapt and adjust to the uncertainties and volatilities. Everyone is also working towards and hoping for some forms of consistency in our lives.

Patience, consistency and resilience are two attributes and one school value that I think will help us navigate this new normal better.

As we celebrate today, we want to affirm your patience and resilience in

- adapting to Home-based Learning from February to May 2020, and
- returning to School for class resumption and the End-of-Year Examinations (for those in our Secondary section in the last academic year), or
- returning to School to complete the Primary 6 curriculum (for those who are in Secondary 1 now).

Your **consistent hard work** has enabled you to produce excellent results in the last academic year. I am happy to see that many of you have chosen to stay positive in facing these challenges by **doing the right thing** and **giving of your best** to adapt to the changing circumstances. You have indeed lived our SISHK Spirit! Finally, we are able to come together today to recognise and affirm your excellent performance and celebrate your success. We also want to take this opportunity to congratulate our scholarship recipients and talent development awardees. We hope to see you leverage the opportunities the School will be giving you to realise your full potential and further contribute positively to the SISHK Family and the community in your areas of strength.

As you received the award(s), please do not forget your parents, family, teachers and peers who were there for you as you completed your learning in the last academic year.

Remember our values as your compass to guide you in navigating the future.

Remember the two attributes and one school value as you move on to your next educational journey in SISHK.

All the best for the new academic year. Success inspires success!

The Sportsperson of the Year awardee is a familiar face when it comes to her accolades and dedication to SISHK volleyball. What makes her stand out above the rest is her ability to not only perform at a high performance level under pressure, but also to serve as leader and mentor to her teammates when adversity strikes. If we all can learn to embrace the growth mindset that Caroline brings to the court each time she practices or competes, we can gain the most from our potential and inspire the greatest performance from our peers in any facet of life.

2019/20 SISHK Citizenship Award

This award is presented to the student who is widely regarded as dependable, and demonstrates respect for people, property and school. He/She readily and unselfishly helps others at home, school and the wider community.

She strikes a good balance between her academic work and school activities.

Committed to her House, she has very admirably shown positivity, enthusiasm, and support in her role of leading activities, encouraging her peers, taking initiative and contributing. She also excels in building morale and spirit of her team members in volleyball. Having always been a standout student with regards to her contributions to the school community and school life whenever she has the opportunity to do so, we are proud to be able to witness Caroline's growth in the last academic year.

2019/20 SISHK Leadership Award

LAM TSZ HO (DP1B)

The recipient of the DP1 Leadership Award has exemplified as an excellent role model for the rest of the Muzé members to follow. Tsz Ho always makes sure that all Muzé's projects are of top quality as well, and insists on the members submitting a good piece of work. On top of that, he has always been a motivation for his committee members to look up to when they are faced with challenges. He is committed, persistent, focussed and decisive. When faced with a particularly challenging academic year with prolonged school closure, performance postponement and the eventual cancellation of the live show, Tsz Ho was a problem-solver, motivator and strong leader in supporting and guiding his committee towards the new goal of filming the musical.
