PARENT TEACHER ASSOCIATION**

23 Nam Long Shan Road, Aberdeen, Hong Kong

Dear Parents

Calling for Parent Volunteers

As we are partnering the School to organise volunteering services all year long, we are now planning ahead the various programmes and activities for the year for our SISHK students.

We are seeking your involvement and cooperation to work with us to support the school.

Being a Parent Volunteer is a fantastic way to get to know fellow SISHK parents, get involved in school activities, and help your child develop. Here are some areas that we will require parent volunteers.

Parent Volunteers for Arts

We are seeking for parent volunteers who can help in our Primary Art Room on Thursday from 8.30am to 10am.

The tasks may include the following:

- Help to enrich visual resources/décor
- Label artwork with student name stickers
- Mount completed projects onto coloured backgrounds
- Organise or photograph artwork for online student portfolios
- Refill art supplies such as glue bottles or paint trays
- Organise coloured papers and craft materials
- Help to replace artwork into new frames
- Prepare materials like cutting templates, photos, or stencils

Should you be interested to become a parent volunteer in this area, please register via [sisconnect](#) to indicate your interest.

Please contact Ms Lim Yee Peng at limyp68@yahoo.com at pta@singapore.edu.hk.

Parent Volunteers for Library

We are also seeking for parent volunteers who can help in our library.

The tasks may include the following:

- Book shelving
- Book wrapping
- Library Decorations for festival and Library/Book Week

Should you be interested to become a parent volunteer in the library, please register via sisconnect to indicate your interest and preferred time slot for books shelving. Please contact Ms Tyra Lim at tyralim@hotmail.com or pta@singapore.edu.hk.

Parent Volunteers for MAKERSPACES

To promote the joy of learning, foster entrepreneurship and equip our SISHK students with 21st century skills in the fields of science, technology, engineering, art and math (STEAM), we are pleased to announce the continuation of Makerspaces Programme for Primary students.

Makerspaces in schools are collaborative work spaces for designing, making, hands on learning, exploring, sharing and tinkering using high tech or no tech tools. We are also seeking for parent volunteers who can help in our Maker Space Programme for Primary Students during their Recess time.

The tasks may include the following:

- Preparation of materials pertaining to electronics, e-textile, 3D printing, 3D modelling, coding, robotics and even woodworking.

Should you be interested to become a parent volunteer for the Makerspaces, please register via sisconnect to indicate your interest and preferred time slot.

Please contact Ms Jennifer Wong at jen_tjen@yahoo.com or myself at pta@singapore.edu.hk.

Parent Volunteers for Gardening

The School is planning a gardening programme for students. Do you have green Fingers? If you are interested in working with students or have an interest in gardening, we encourage you to sign up to volunteer. On-going training from teachers will be provided. This programme will also give you opportunities to gain more experience and develop your skills.

As the schedule is not ready, we are currently seeking for you to register your interest to volunteer in this area.

Should you be interested to become a parent volunteer in this area, please register via sisconnect to indicate your interest to volunteer in this area.

Please contact Ms Lim Wan Ping at limwanping@yahoo.com or myself at pta@singapore.edu.hk.

I would like to thank all of you in advance for your contributions.

Warm regards

Hellen Manning
